

St. Michael' School Partners In Education (PIE)

Sept 07, 2021

PIE News:

Welcome to a new school year! We are so excited to have all the students back into the classrooms. All parents are members of Partners in Education, our parent organization to support the school. We have an obligation to raise funds to keep tuition affordable for all students. The PIE creates those opportunities for parents to fulfill their commitments to the school. There are a few positions open if you are interested, please review the PIE Handbook on our school website.

PIE Facebook Page:

We utilize a private Facebook page for internal communication in conjunction with the weekly newsletters for families, it is called "SMS Partners in Education" and there is a link on the St. Michael's Facebook Page. Please use this page for updates on service hour opportunities. <https://www.facebook.com/groups/748436485844731>
