February 7, 2021

Dear Parents,

We received notice that a member of our school community has received positive COVID-19 test results.

We have spoken with the St. Mary's County Health Department (SMCHD). They believe in an abundance of caution, that given our young student population and close proximity with this person, we will instruct children virtually this coming week beginning February 8, 2021.

All members of the community should monitor family members for symptoms of COVID-19, including:

- **Fever**
- **Chills and shaking**
- **Coughing**
- **Muscle pain**
- **Shortness of breath**
- **Headache**
- **Sore throat**
- **New loss of taste or smell**
- **Diarrhea**
- **Vomiting**

If you experience any of these symptoms, please stay home and quarantine from others, seeking medical intervention or COVID 19 testing as warranted. Testing sites are closed Monday, February 8, 2021 due to weather.

Please know the health and safety of our students, families and staff is our utmost importance.

Sincerely,

Lila Ridgell Hofmeister
Principal
