Grades 4 – 8: Interims will be available on the Parent Portal today.

Dear Parents:

We thank all the workers and planners creating our successful Farm to School week activities. We have more great events planned for this month. Interims of 4th – 8th grade are posted to the parent portal today. Please check how your child is progressing by opening this portal. If you are having challenges doing this process, please send your child's teacher a message. On Tuesday, we will have St. Mary's College students teach sign language to the students in fifth, sixth and Pre K classes. The fire prevention truck will be at school on Thursday to educate all students. Do you have a household escape plan? Does your child know what to do or where to go in the event of a household fire? Please have these conversations with your children. Preparing for a horrific event is a smart thing to do.

Please sign up to volunteer for the Rhythm and Riches event to be held on October 19th. **In order to work this event, you must be signed up by October 18th, no signups will be taken the day of the event. There are a limited number of work slots available.** This is a fun night to attend with music and a chance to win \$25,000.00 in prizes. Purchase a ticket for a chance to win. Sign up to make our Haunted Halls event a great success. We REALLY need to see ALL of you as volunteers. The children love to come to a safe place and play.

Basketball drop off and pick up procedures have changed. The side doors of the gym used for car riders daily, is where players will enter and exit the building. This process allows the coach to supervise all players at all times. Please park on the side of the building if there is a need to come into the gym and speak with the coach.

Please do not drop off children if no coach is present. We want to ensure children are safely supervised at all times.

- **Sailing Education** – 7th & 8th Graders will be participating in the next few weeks in instruction under a partnership with the Sailing Association and STEM program. This instruction will result in expert learning important to our community and culminate with a boating expedition. Further details will be coming from Mrs. Kandler.

Have your name on the SMS Pride T-Shirts and Sweatshirts!

This year, to help show our support for St. Michael’s School, long sleeve pride t-shirts and sweatshirts are being made. These items will be a great way to show support for our student athletes as well as the school. Students will be able to wear the t-shirts to school as an alternative to the gym uniform and the shirts will be seen in the community. Sweatshirts may be worn in the classroom as a jacket on chilly days.

To show your support for the school and commemorate the 2018 - 2019 school year, you can pay to have your name advertised on the t-shirts AND the sweatshirts. Your family name or business name can be screen-printed on the back of the t-shirt AND the sweatshirt for \$50. Classroom names are welcome as well. A logo can be designed for you, or you may submit your own. If you would like to use your own logo, please provide a sample of your logo for correct printing. The logo may be emailed to Mrs. Kandler or sent to school with payment. Cash and check accepted.

To be a sponsor, please complete the bottom of the form and return it to school with payment no later than Thursday, October 18, 2018. This is the absolute last day to send sponsorship requests to school. If you have any questions, feel free to contact Mrs. Kandler at school (301-872-5454) or via email (liz.wathen@saint-michaels-school.org).
