Dear Friend of Saint Michael's School,

At Saint Michael's, the Church and School families collaborate to provide a rich learning environment where our children grow in spirit, mind, and body. Our integrated curriculum is taught by a highly qualified, nationally and regionally recognized faculty. Small class sizes provide daily opportunities for individualized instruction. We strive to provide the assistance every child needs to succeed, including tuition assistance to attend Saint Michael's School.

The Archdiocese of Washington (ADW) provides financial assistance to students based on a percentage of a family's total need as calculated by the Private School Aid Service. All tuition assistance donations or pledges are processed through the Archangel Scholarship Foundation. We have aligned our financial processes and a new pledge/gift program, uniting the former Thanks-a-Million/Archangel Society pledge program under the new name **Guardian Angel Program (GAP)**. Our goal for the 2011-2012 academic year is to raise \$110,000 for direct tuition assistance to *bridge the gap* between the actual cost of educating a student and the tuition assistance a student may receive through the ADW. With the help of many Guardian Angel participants, we strive to provide direct tuition assistance for *every* student demonstrating need.

We ask you to become a Guardian Angel today by committing your financial support to a Saint Michael's student! Convenient payment options are available. Please use the attached form to make a gift or pledge now. If you have previously made a pledge, please continue to complete that obligation. Please make a new pledge or gift by becoming a Guardian Angel today! Your gift is 100% tax deductible and every dollar is applied directly towards tuition assistance. As a Guardian Angel, you are remembered in the Masses and daily prayers of the parish and school family, and are recognized for your contributions during our Catholic Schools Week celebrations.

Thank you!

Fr. Lee Fangmeyer
Pastor

Lila Ridgell Hofmeister
Principal

Be an Angel and Bridge the GAP today!

I am happy to bridge the tuition gap for a deserving child in the amount of:

____ \$100 ____ \$250 ____ \$500 ____ \$1,000 ____ \$5,000 _____ Other
