Dear Friend of Saint Michael’s School,

At Saint Michael’s, the Church and School families collaborate to provide a rich learning environment where our children grow in spirit, mind, and body. Our integrated curriculum is taught by a highly qualified, nationally and regionally recognized faculty. Small class sizes provide daily opportunities for individualized instruction. We strive to provide the assistance every child needs to succeed, including tuition assistance to attend Saint Michael’s School.

The Archdiocese of Washington (ADW) provides financial assistance to students based on a percentage of a family’s total need as calculated by the Tuition Aid Data Service. All tuition assistance donations are processed through the Archangel Scholarship Foundation. We have aligned our financial processes and gift program, under Guardian Angel Program (GAP). Our annual goal is to raise funds needed for direct tuition assistance to bridge the gap between the actual cost of educating a student and the tuition assistance a student may receive through the ADW. With the help of many Guardian Angel participants, we strive to provide direct tuition assistance for every student demonstrating need.

We ask you to become a Guardian Angel today by committing your financial support to a Saint Michael’s student! Convenient payment options are available. Please make a gift directly to the Archangel Scholarship Foundation, PO Box 211, Ridge, MD 20680. Please make a gift directly to Saint Michael’s School writing donation in the memo line. Your gift is 100% tax deductible and every dollar is applied directly towards tuition assistance. As a Guardian Angel, you are remembered in the Masses and daily prayers of the parish and school family, and are recognized for your contributions during our Catholic Schools Week celebrations.

Thank you!

Fr. Peter Giovanoni
